ABOUT ME

As a Cum Laude graduate in Information Technology, I bring a strong passion for programming and digital arts, complemented by practical experience in software development. I am eager to contribute my skills to a forward-thinking organization. My goal is to continuously grow and make meaningful contributions, leveraging my expertise to drive innovation and success.

WORK EXPERIENCE

Software Developer | Dev Support

MAR 2024 – SEP 2024

Alliance Software, Inc. - Cebu City, Philippines

- Managing ticket resolutions, including bug fixes, enhancements, and server checks, while providing prompt on-call support.
- Providing critical support across multiple applications, ensuring smooth operations, and resolving technical issues efficiently.
- Developing detailed documentation and collaborating with cross-functional teams to resolve complex issues and maintain best practices.

Associate Analyst | Print Quality

SEP 2023 – DEC 2023

RipeConcepts, Inc. | Nagarro - Cebu City, Philippines

- Applied analytical skills to resolve print quality issues, such as damage, incorrect printing, and envelope discrepancies.
- Managed high volumes of customer tickets, ensuring accurate problem identification and timely creation of replacement orders.
- Conducted inspections and collaborated with teams to improve quality control, enhancing accuracy and customer satisfaction.

IT INTERN

FEB 2023 – MAY 2023

DOLE Region VII Central Visayas - Cebu City, Philippines

- Created a prototype of a mobile application of a specific section of their website to showcase its potential appearance and functionality.
- Identified and reported a security vulnerability on the employee details page, contributing to the security improvement of the site.
- Assisted in troubleshooting technical issues, providing effective solutions to ensure smooth operations.
